

# PARKINSON CANADA SUPERWALK™

Generously sponsored by:

SuperWalk is Parkinson Canada's flagship peer-to-peer event fundraiser. Since 1990, walkers have raised more than \$44 million to fund research, support tools, and advocacy for People living with Parkinson's.

When you walk the SuperWalk or donate – whether it be money or your equally valuable time – you're supporting Parkinson Canada in our quest to improve lives of people living with Parkinson's and their care partners, and to ultimately find a cure for the disease affecting more than 100,000 Canadians.

This year's SuperWalk will take place across Canada on **September 7th & 8th, 2024.**

In 2024, we will host 30 in-person SuperWalk events across the country. If you can't find a location near you, or you would like to host a virtual walk in your community, visit [superwalk.ca](https://superwalk.ca) to learn more about our **Walk in a Box toolkit.**

SuperWalk is Canada's largest fundraising event for Parkinson's – raising vital funds for **support, advocacy and research.** And we couldn't do it without you.

Donate today at [superwalk.ca](https://superwalk.ca)  
or by calling 1-800-565-3000
