WHERE DO I SEND OFFLINE PLEDGE PAYMENTS AND DONATIONS?

It is highly recommended that wherever possible, donations are submitted directly to your online fundraising page.

In cases where this is not possible, participants may arrange a time to safely collect funds from donors. If a donor provides cash, cheque or sends you an e-transfer, the walker is responsible for providing the funds to Parkinson Canada, along with a pledge form.

All funds collected must include a completed pledge form for every offline donation, including the donor's full name and address for tax receipts (for donations \$20+).

Cash donations

- Collect cash.
- Fill out a pledge form.
- Write a cheque to Parkinson Canada for cash amount.
- Include donor's name on cheque notes.
- Attach your personal cheque to pledge form and mail to the office (do not mail cash).
- We encourage you not to bring cash on-site.
