

How Can Parkinson Canada Support My Fundraiser?

- Parkinson Canada can authorize the use of our logo and branding guidelines for your fundraiser.
- Parkinson Canada can assist you in setting up a dedicated web page for your fundraiser using our available online tools. This may include the ability to automatically issue charitable tax receipts to your donors.
- Parkinson Canada can provide ideas and suggestions, insights, guidance, and tools to help you plan a successful fundraiser. We can also provide assistance with your Event Application. Our Fundraising Your Way Specialist will be pleased to assist you in getting started.
- Parkinson Canada can assist with promoting your fundraiser. This may include social media, email campaigns, newsletters, and local and/or national coverage pending marketing approval. Please prepare and share your promotional plan by emailing events@parkinson.ca for next steps.
- Parkinson Canada can issue charitable tax receipts for qualified donations, subject to Canada Revenue Agency guidelines.
- Parkinson Canada may attend your fundraiser pending the availability of staff and fundraiser location. On occasion, a qualified volunteer may attend to act as a representative of Parkinson Canada. Attendance is not guaranteed.

How can Parkinson Canada Support My Fundraiser?

Parkinson Canada is Unable to Provide the Following for Fundraisers.

- Parkinson Canada cannot fund or reimburse fundraiser expenses. Organizers are responsible for all fundraiser expenses.
- Parkinson Canada cannot share or distribute sponsor, partner, participant or donor information.
- Parkinson Canada cannot apply for or fund permits, insurance, licenses or other required documentation to run your fundraiser.
- Parkinson Canada may provide some limited swag items to support your fundraiser pending availability, but cannot design, source, purchase, or provide apparel or other incentives/recognition rewards for your fundraiser. Parkinson Canada cannot share vendor and supplier contact information.
