

PARKINSON CANADA
SUPERWALKTM

GENEROUSLY SPONSORED BY:

SuperWalk is Parkinson Canada's flagship peer-to-peer event fundraiser. Since 1990, walkers have raised more than \$40 million to fuel research, support tools, and advocacy for People living with Parkinson's.

When you walk the SuperWalk or donate – whether it be money or your equally valuable time – you're supporting Parkinson Canada in our quest to improve lives of people living with Parkinson's and their care partners, and to ultimately find a cure for the disease affecting more than 100,000 Canadians.

This year's SuperWalk will take place across Canada on **September 10 and 11, 2022.**

In 2022, while we're bringing in-person walks back, you can still walk your way! Learn more about our **Walk in a Box** at superwalk.ca.

SuperWalk is Canada's largest fundraising event for Parkinson's – raising vital funds for **support, advocacy and research.** And we couldn't do it without you.

Donate today at superwalk.ca
or by calling **1-800-565-3000**
