

## WHERE DO I SEND OFFLINE PLEDGE PAYMENTS AND DONATIONS?

It is highly recommended that wherever possible, in the interest of everyone's safety, donations are submitted directly to your online participant centre walk page.

In cases where this is not possible, participants may arrange a time to safely collect funds from donors. If a donor provides cash or sends you an e-transfer, the walker is responsible for providing the funds to Parkinson Canada via personal cheque along with the pledge form to Parkinson Canada.

All funds collected must include a completed pledge form for every offline donation, including the donor's full name and address for tax receipts (for donations \$20+).

### Cash donations

- Fill out a pledge form.
- Collect cash.
- Write a cheque to Parkinson Canada for cash amount.
- Include donor's name on cheque notes.
- Attach your personal cheque to pledge form (do not mail cash).
- Note that cash is not accepted on-site.

### Cheque donations

- Fill out a pledge form.
- Collect cheque.
- Ensure walker's name is written in cheque notes.
- Attach cheque to pledge form.
- Note that cheques are not accepted on-site.

### Credit card donations

- Credit card donations are only accepted online or through calling Parkinson Canada. If you have a donor who wishes to donate by credit card and is not using our website, please have them call our SuperWalk Concierge for support.
